

Go to the "Artificial Intelligence Assistants" page via the "AI / e-Resources" page on the library website. Click the "Search" button for ArcGIS Pro.

After being redirected to <u>ihulibrary.maps.arcgis.com</u>, click the "Sign In" button in the upper right corner.

Please log in using the username and password information you obtained from the IHU Library.

You can start using ArcGIS.

You can scan the QR code for more information.
